

New CEA President Appointed

For Immediate Release
May 25, 2023

Consulting Engineers of Alberta (CEA) is pleased to announce the election of its 2023-2024 President, Jason Maurer. Jason is the President of Scheffer Andrew Ltd. and is responsible for offices in Edmonton, Calgary and Medicine Hat. Jason joined the CEA Board in 2021 and has been an active committee member, chairing the City of Edmonton Liaison committee for the past two years and actively representing CEA in joint Industry meetings.

He received a Bachelor of Engineering Degree from Lakehead University, Thunder Bay, Ontario in 1995 after first obtaining a Civil Engineering Technology Diploma from NAIT. Jason brings extensive experience in the land development, civil, and transportation engineering fields working throughout his more than 25-year career as a consulting engineer and also as a development manager for a private land development company.

Jason has led and been involved with many multi-disciplined teams from concept engineering and land use planning through to construction completion and final acceptance. His experience includes green field developments as well as upgrading of existing infrastructure and infill projects. Jason has also been responsible for the preparation and administration of many infrastructure cost sharing agreements including cost share corporations and trust accounts involving both private and public sector clients.
